■ SNS Vertical / Square Video Streaming

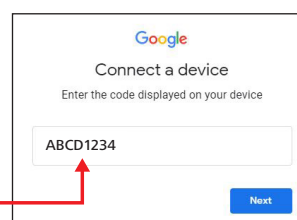

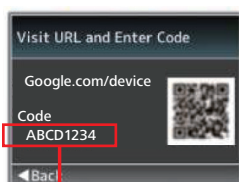

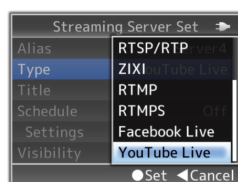

You can select Vertical or Square video streaming for applicable Social Networks, 404x720 or 720x720. White guideline is displayed in the LCD/Viewfinder.

Cropping position can be set to the left, center or right. The position cannot be changed during streaming.

■ Easy Setup for YouTube Live and Facebook Live

In addition to Facebook Live, you can now use Easy Setup for YouTube Live for simple connection to the SNS.

JVC is a member of "Facebook Live Solution Partners".

8th GUEST 88 HOME 88

The camcorder comes with graphics pre-installed for a variety of sports, including football, basketball, baseball, football (soccer), ice hockey and others.

■ DIS Digital Image Stabilizer (HD mode)

DIS can be used simultaneously with the Optical Image Stabilizer.

DIS OFF

DIS ON

■ Face Only AF

Face detection technology is used to prioritize the Auto Focus target, dynamically tracking the facial features as the focal point in the frame.

If the face is not detected, the Manual Focus mode is engaged.

■ Auto Color Matrix Adjustment for LED Lighting

Auto Color Matrix Adjustment reproduces images when shooting under LED lighting in Full Auto mode.

■ Remote Zoom Ease

Zoom Ease enables wired remote zoom controls similar operation to the rocker switch of the camcorder handle.
